

KEEP IT BEFORE THE PEOPLE.
That certificates have been published, with the names of good citizens attached, proving that Judge Hovey is in favor of withholding the right of suffrage from foreigners till they have resided in the country 21 years.

Keep it before the People, That Judge Hovey being wealthy, is in favor, as proved by certificates, of requiring a property qualification of voters, thus disfranchising more than one-half of our American freemen.

Keep it before the People, That Hovey advocates the breaking down of all laws, when they come in contact with his love for niggers, and peculiar sympathy for the slaves.

Keep it before the People, That Judge Hovey's only hope of election is by slandering honest Democrats, and keeping up an excitement about poor bleeding Kansas, and the niggers of the South.

Keep it before the People, That Kansas, by means of the English compromise bill, is now at peace—that the returns of the late election and other information conclusively show that her population will be sufficient to entitle her to admission under that bill, whenever hereafter she may properly apply; and that when she does apply, with a constitution properly adopted and republican in form, she will be admitted by Democratic votes, and without slavery, as her own people may determine.

Keep it before the People, That there is no doubt but that Kansas will be admitted into the Union under the English bill as a Free State.

Keep it before the People, That the opposition "shriek for freedom," but do nothing to secure it; that every one of the nine free States admitted into the Union within the last fifty-six years, were admitted by Democratic Congresses, and all but one (California under Fillmore) under Democratic Presidents.

Keep it before the People, That when the Republicans charge that the English bill contains a land bribe, or that it proposes to grant more land than is usually granted to new States, or more than was proposed to be granted by the Crittenden-Montgomery bill they charge what is not true.

Keep it before the People, That when Kansas comes to form a constitution and apply for admission into the Union, she will be entitled to admission, under the English bill, with the same amount of population for a free as for a slave State; and that all assertions of the Republicans that it will, in that case, require a greater amount of population for a free State than it would for a slave State, is utterly false and unfounded.

Keep it before the People, That there is not one word of truth in the assertion, made only by hypocrites and demagogues, that the census referred to in the bill is the decennial census to be taken in 1860 and 1870. The bill shows directly to the contrary on its face, and besides all persons the least familiar with the legislation of the country, know that the census in such cases is usually taken under the Territorial authorities and whenever they choose.

Keep it before the People, That what Hovey and his Republican supporters really want is sectional agitation, office, and spoils.

MORE TO BE ADMIRER THAN THE RICHEST DIADDEM

Worn by Kings or Emperors

WHAT! WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

New York, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

S. THALBERG.

"Drych a'r Gwyblyddet."

Welsh Newspaper office, 13, Nassau st, April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CADEW.

New York, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

J. G. KILBY.

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it is full, restored to its original color, health and appearance, and I cheerfully recommend its use to all.

J. D. HOLS.

Chicago, Ill., May 1, 1857.
The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small; retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3.

they stand, as they ever have stood, unri-

valled in the world of letters, being consid-

ered indispensable to the scholar and the

professional man, while to the intelligent

reader of every class they furnish a more

correct and satisfactory record of the cur-

rent literature of the day, throughout the

world, than can be possibly obtained from

any other source.

WHOLESALE DEALERS,

IN TEAS ONLY,

PHILADELPHIA.

THE new crop of Tea is now arriving,

and selling much below the high rates

of the past year; the present therefore

opens with the pleasing prospect of our

again being able to furnish as good an ar-

ticle for the price, as formerly. We also take

pleasure in announcing that we have con-

cluded to extend the time on small bills,

heretofore sold on two and three months to

three and four months credit.

Thousands of Grocers and General Store

keepers now sell Teas in our Metallic Pack-

ages, and the number is constantly increas-

ing, notwithstanding the strong prejudice

that once existed against Teas put up in this

convenient form. This unexampled success

is the legitimate result of a business uni-

formly done, for a long term of years upon

just and fair principles, and especially with

an eye to that wholesome one of "SMALL

PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers

are recommended to order small and frequent

bills.

Those who still prefer the old way, are

furnished with Teas in the original half-

cheats, at three cents per lb. less than in

Metallic Packages.
